

Honeywell Selects O'Neil & Associates

For Immediate Release

Contact:

O'Neil & Associates, Inc 937.865.0800

Honeywell AES (Aerospace Electronic Systems) has selected O'Neil & Associates, Inc. as their partner for development of a state-of-the-art product support information publishing environment.

Work is beginning now, with Phase I deliveries planned in 2001, that includes database design and authoring. This blending of technology and expertise will enable Honeywell to provide an even higher level of service to their client base.

For more information on how O'Neil & Associates can provide your company with a state-of-the-art product support publishing environment, contact Tom Milligan at 937.865.0800 or e-mail tmilligan@oneil.com.
